ASUSF College Players in their 144th Season Present:

Vagina Monologues

By Eve Ensler
Directed by Courtney Stallings
Produced by Alex Platt
Executive Producer Samantha Schwartz
Sound and Video Design by Sheila Bosco

The Vagina Monologues are the cornerstone of the V-Day movement, whose participants stage benefit performances of the show worldwide each year between February 1st and March 8th (International Women's Day).

The "V" in V-Day stands for Valentine, Vagina, and Victory, linking love and respect for women to ending violence against women and girls. The proceeds from these performances go to programs that work to end violence against women and girls, including crisis centers and women's shelters.
